#### XGIMI's paves the way towards screenless TV

Ahmedabad, China-based, multi-award winning company XGIMI is redefining home entertainment with the next

entertainment with the next generation of smart projectors, MoGo Pro and MoGo Pro Plus. With these plug and play, compact and cutting edge projectors, the era of stationary, bulky televisions may finally be over. SushilMotwani, exclusive India representative for XGIMI products, says, "MoGo Pro and MoGo Pro Plus are the smart, screenless marvels that every home needs. Usually, our living rooms are aligned towards a big TV screen. Our furniture is also arranged around a also arranged around a is also arranged around a stationery TV but just imagine, if we had the flexibility and freedom to sit anywhere at home and watch what we wanted to on a larger-than-life screen that takes up no space. Imagine a screenless TV that offered an almost circumstic. offered an almost cinematic screenless revolution in scale and matchless clarity at India."(19-10)

a very competitive price!" Motwani adds, "MoGo Pro and MoGo Pro Plus projectors and mode Pro Pius projections have come in to change the dynamics of how we consume entertainment at home because of their ability to provide an all-inclusive viewing experience. You can directly cast your favorite entertainment ans movies directly cast your favorite entertainment apps, movies and TV shows, music, games, sports and more from your Android or iOS device, Mac, Windows computer or Chromebook on these devices. This is the key to a correctlest revolution in

#### DTDC and Narayana Health successfully set up an oxygen generator plant in Jaipur

Ahmedabad: DTDC and its strategic partner, Geopost SA (DPD Group), owned by France's Le Groupe La Poste., rrances Le Groupe La Poste,, are proud to associate with Narayana Hrudayalaya Charitable Trust and Narayana Hrudayalaya Ltd. for the successful set-up and inauguration of an oxygen

inauguration of an oxygen generator plant in Jaipur. The one-of-its-kind oxygen generator plant was inaugurated by DTDC Chairman and Managing Director Mr Subhasish Chakraborty, in the presence of top officials from DTDC and Narayana Health. The valuable Narayana Health. The valuable joint-initiative, installed in the Narayana multi-speciality hospital in Jaipur, is geared to help the country fight the ongoing Covid pandemic.

DTDC Express Chairman and Managing Director Mr Subhasish Chakraborty said, "The cutting-edge oxygen

"The cutting-edge oxygen generator plant, imported from the US, is a result of joint efforts of DTDC, our strategic

artner, Geopost SA (DPD Group) and the able team at Narayana Health. As a part of our CSR program for Covid care support, we have made a significant contribution of Rs. 1.56 crore to Narayana Hrudayalaya Charitable Trust. DTDC and Geopost SA (DPD Group) also ensured the seamless logistical move seamless logistical movement of the oxygen generator plant". With the capacity for generating medical-grade oxygen at 500 litres a minute, generators like these play a crucial role in critical Covid remedies. The oxygen remedies. The oxygen generator plant is expected to provide the much-needed treatment to help a large population, including those from less-privileged backgrounds. City-based oxygen generator plants are expected to provide an ample supply of medical-grade supply of medical-grade oxygen, crucial for Covid-care, and reduce the need for cross-country transport of the life-saving gas.
