NOTICE OF 23RD ANNUAL GENERAL MEETING

Notice is hereby given that the 23rd (twenty-Third) Annual General Meeting (AGM) of the Members of Sikko Industries Limited will be held on Monday, September 11, 2023 at 04:00 P.M. IST through Video Conferencing (VC) / Other Audio-Visual Means (OAVM) to transact the following businesses:

ORDINARY BUSINESSES:

1. To receive, consider and adopt the Audited Financial Statement of the Company for the financial year ended on March 31, 2023 together with the Reports of Board of Directors and the Auditor thereon.

In this regard, to consider and if thought fit, to pass, with or without modification(s), the following resolution as **Ordinary Resolution**:

“RESOLVED THAT the Audited Financial Statement of the Company for the financial year ended on March 31, 2023 and the reports of the Board of Directors and Auditors thereon, as circulated to the members, be and are hereby received, considered and adopted.”

2. To appoint a Director in place of Mr. Ghanshyambhai Kumbhani (DIN: 00587855), Whole-time Director who retires by rotation and being eligible, seeks re-appointment.

Explanation: Based on the terms of appointment, executive and non-executive directors are subject to retirement by rotation. Mr. Ghanshyambhai Kumbhani (DIN: 00587855), Whole-time Director who was reappointed on October 1, 2021 as Whole-time Director, and is the longest-serving member on the Board, retires by rotation and, being eligible, seeks re-appointment.

To the extent that Mr. Ghanshyambhai Kumbhani (DIN: 00587855), Whole-time Director is required to retire by rotation, he would need to be reappointed as such. Therefore, shareholders are requested to consider and if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**:

“RESOLVED THAT, pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, the approval of the members of the Company be and is hereby accorded for the reappointment of Mr. Ghanshyambhai Kumbhani (DIN: 00587855), Whole-time Director as such, to the extent that he is required to retire by rotation.”

SPECIAL BUSINESS:

3. To regularize appointment of Mr. Ashvinkumar Ramnikbhai Trapasiya (DIN: 10198672) as an Independent Director of the Company:

To consider and if thought fit, to pass with or without modification, following resolution as **Special resolutions**:

“RESOLVED THAT pursuant to the provisions of Sections 149, 152 read with Schedule IV and other applicable provisions of the Companies Act, 2013 (“the Act”) and the Companies (Appointment and Qualification of Directors) Rules, 2014 and the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), Mr. Ashvinkumar Ramnikbhai Trapasiya (DIN: 10198672) who was appointed as an Additional Director of the Company, categorized as Non-Executive Independent, by the Board of Directors with effect from June 13, 2023, in terms of Section 161 of the Companies Act, 2013 and in respect of whom the Company has received a notice in writing under Section 160 of the Act from a Member proposing his candidature for the office of Non-Executive Independent Director and whose appointment has been recommended by the Nomination and Remuneration Committee and Board of Directors, being eligible, be and is hereby appointed as an Independent Director of the Company, not liable to retire by rotation, to hold office for a term of 5 (five) consecutive years with effect from June 13, 2023 till June 12, 2028;

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2023:

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Your Company believes that effective Corporate Governance is not just the framework enforced by the regulation but it is supported through the principles of transparency, unity, integrity, spirit and responsibility towards the stakeholders, shareholders, employees and customers.

Good Corporate Governance requires competence and capability levels to meet the expectations in managing the business and its resources and helps to achieve goals and objectives of the Company. It should provide proper incentives for the board and management to pursue objectives that are in the interests of the Company and its shareholders and should facilitate effective monitoring.

The Company acutely and consistently reviews its systems, policies and internal controls with an objective to establish sound risk management system and impeccable internal control system.

GOVERNANCE STRUCTURE:

The Company's Governance Structure comprises a dual layer, the Board of Directors and the Committees of the Board at the apex level and the Management Team at an operational level. The Board lays down the overall Corporate Objectives and provides direction and independence to the Management Team to achieve these objectives within a given framework. This professional management process results in building a conducive environment for sustainable business operations and value creation for all stakeholders.

The Board of Directors and the Committees of the Board play a fundamental role in upholding and furthering the principals of good governance which translates into ethical business practices, transparency and accountability in the Company's dealing with its stakeholders and in the utilization of resources for creating sustainable growth to the benefit of all the stakeholders. The Board within the framework of law discharges its fiduciary duties of safeguarding the interests of the Company.

The Boards composition and size is robust and enables it to deal competently with emerging business development issue and exercise independent judgment. Committee of Directors assists the Board of Directors in discharging its duties and responsibilities. The Board has constituted the following Committees viz. Audit Committee, Stakeholders Relationship Committee and Nomination & Remuneration Committee which are mandatory Committees. The Management Structure for the day-to-day business operations and management of the Company is in place with appropriate delegation of powers and responsibilities.

CORPORATE GOVERNANCE PRACTICE:

The Company maintains the highest standard of Corporate Governance; it is the Company's constant endeavor to adopt the best Corporate Governance Practice.

ROLE OF COMPANY SECRETARY IN OVERALL GOVERNANCE PROCESS:

The Company Secretary plays a key role in ensuring that the Board and Committees procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and Senior Management for effective decision making at the Meetings. The Company Secretary is primarily responsible for assisting and advising the Board in conducting the affairs of the Company, to ensure the compliances with applicable statutory requirements, to provide guidance to Directors and to facilitate convening of Meetings. The Company Secretary interfaces between the Management and regulatory authority for governance matters.

The Corporate Governance Report prepared by Sikko Industries Limited ("the Company"), contains details as stipulated in Regulations 17 to 27, Sub-Regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations"), with respect to Corporate Governance for the year ended on March 31, 2023. This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company.

Management's Responsibility

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.

The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

My responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulations.

The procedures selected depend on the auditor's judgment, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures include but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.

The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, my scope of work under this report did not involve me performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

Based on the procedures performed by me as referred above and according to the information and explanations given to me, I am of the opinion that

- The Company has complied with the conditions of Corporate Governance as specified in regulations 17 to 27, Sub-Regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 during the period April 1, 2022 to March 31, 2023;
- As regards Discretionary Requirements specified in Part E of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has complied with items C and E.

Other Matters and Restriction on use

This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, I do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without my prior consent in writing. I have no responsibility to update this report for events and circumstances occurring after the date of this report.

SECRETARIAL AUDIT REPORT

Form No. MR-3

For the financial year ended March 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and

Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members of,

SIKKO INDUSTRIES LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Sikko Industries Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion read with **Annexure I** forming part of this report, the Company has, during the audit period covering the financial year ended on March 31, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the rules made there under as applicable;
- ii. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. The Foreign Exchange Management Act, 1999 (FEMA) and the rules and regulations made there under to the extent of Foreign Direct Investment.
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
 - d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Listing Agreement entered with National Stock Exchange of India Limited; and
- vi. The Revised Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules made there under, Regulations, Guidelines etc. mentioned above, to the extent applicable except *the Board of Directors of the Company had announced the Bonus Issue on September 9, 2022. Since, the Bonus Issue was required to be approved by the Shareholders of the Company, the Company should have completed the Bonus Issue by November 8, 2022 i.e. Trading Approval must have been issued by that date. However, the Trading Approval was issued on November 11, 2022. Accordingly, there was delay of three days for completions of Bonus Issue in violation of Regulation 295 of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended from time to time.*

Further company being engaged in the business of manufacturing of fertilizers, pesticides and other agro-chemical products, below are specific applicable laws to the Company, which require approvals or compliances under the respective laws;

1. The Essential Commodities Act, 1955;
2. The Fertilizers (Control) Order, 1985;
3. The Fertilizers (Movement Control) Order, 1973;
4. The Insecticides (Price, Stock Display and Submission of Report) Order, 1986;
5. The Insecticides Act, 1968 and the Insecticides Rules, 1971; and
6. The Seeds Act, 1966 and Rules framed thereunder.

I have relied on the representation made by the Company and its officers for system and mechanism framed by the Company for compliances of the aforesaid specific acts/rules/orders.

During the Period under review, provisions of the following Acts, Rules, Regulations and Standards were not applicable to the Company;

- i. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 and circulars/guidelines/Amendments issued there under; - the Company is not registered as Registrar to an Issue & Share Transfer Agent. However, the Company has appointed Purva Sharegistry (India) Private Limited as Registrar & Share Transfer Agent as per the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- ii. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 and circulars/ guidelines/ Amendments issued there under;
- iii. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and circulars/ guidelines/ Amendments issued there under;
- iv. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 and circulars/ guidelines/ Amendments issued there under;

- v. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 and circulars/ guidelines/ Amendments issued there under; and
- vi. The Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment and External Commercial Borrowings.

I further report that -

The Board of Directors of the Company is duly constituted with Executive Directors, Non-Executive Director, Independent Directors and Woman Director in accordance with the act. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that -

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that -

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The discussion hereunder covers Company's performance and its business outlook for the future. This outlook is based on assessment of the current business environment and Government policies. The change in future economic and other developments are likely to cause variation in this outlook.

GLOBAL ECONOMY:

Global economy continues to gradually recover from the pandemic and Russia's invasion of Ukraine. According to International Monetary Fund (IMF), Economic activity in the first quarter of the year proved resilient, despite the challenging environment, amid surprisingly strong labor markets. Energy and food prices have come down sharply from their war-induced peaks, allowing global inflation pressures to ease faster than expected. And financial instability following the March banking turmoil remains contained thanks to forceful action by the US and Swiss authorities. According to IMF, growth will slow from last year's 3.5 percent to 3 percent this year and next, a 0.2 percentage points upgrade for 2023 from our April projections. Global inflation is projected to decline from 8.7 percent last year to 6.8 percent this year, a 0.2 percentage point downward revision, and 5.2 percent in 2024.

The longer than expected conflict between Ukraine and Russia, which started in February 2022, is expected to weaken the economic recovery, apart from creating one of the largest humanitarian tragedies. The recent resolution of the US debt ceiling standoff and, earlier this year, strong action by authorities to contain turbulence in US and Swiss banking reduced the immediate risks of financial sector turmoil. This moderated adverse risks to the outlook. However, the balance of risks to global growth remains tilted to the downside. Inflation could remain high and even rise if further shocks occur, including those from an intensification of the war in Ukraine and extreme weather-related events, triggering more restrictive monetary policy. This conflict has also pushed up the price of crude oil and commodities, disrupted the supply of agri-inputs and food, and aggravated the inflationary environment across the world. Food security has become a priority for national governments worldwide which is leading to higher demand for quality agri-inputs.

INDIAN ECONOMY:

After contracting by 7.3% in a Covid impacted year of FY 2020-21, Indian economy quickly recovered lost ground and is projected to expand by 8.7% in FY 2021-22, as per the latest advance estimates released by Central Statistical Office (CSO). As per consensus forecasts, GDP growth in FY 2022-23 is expected to be in the range of 7.0% - 8.2%. The growth is expected to be driven primarily by infrastructure capex spending as reflected in Central Government's budgetary allocations.

India's large domestic economy coupled with the government's enormous public spending, both in the form of planned outlays and direct benefit transfers, led to liquidity infusion into the economy, and helped the country consistently grow. India's inflation trajectory is expected to be significantly impacted by extreme weather conditions like heat waves and the potential for an El Niño year, volatility in international commodity prices and the possibility of a pass-through of input costs to output prices.

The capital expenditure for FY 2022-23 stands at 2.9% of GDP, indicating the Government's commitment to investing in the country's growth. Moreover, the Government has announced an even larger allocation of ₹ 10 lakh crore for the next fiscal year, which demonstrates their long-term vision for the economy. Of this amount, a considerable sum of ₹ 1.78 lakh crore has been earmarked for the Ministry of Chemicals and Fertilisers, reflecting the Government's emphasis on promoting the chemical and agriculture sectors. Overall, these budgetary allocations signal the Government's determination to accelerate economic growth and create a more prosperous and resilient India. (Source: Budget 2023, RBI, Economic Survey 22-23, Ministry of Finance)

OUTLOOK:

India's economy recovered quickly from the pandemic and further growth is expected to be supported by solid domestic demand and increase in capital investments. The International Monetary Fund (IMF) and Reserve Bank of India (RBI) estimate real GDP growth of 6.8% in 2022-23 and 6.1% in 2023-24. The agriculture sector has been growing at an average annual rate of 4.6% over the past six years, and the industrial sector is estimated to grow at 4.5% in FY 2022-23. The services sector saw quick recovery in FY 2021-22, growing 8.4% Y-o-Y, and continued to grow in FY 2022-23.

RBI's enterprise surveys point to some softening of input cost and output price pressures in manufacturing. Considering these factors, and assuming an average crude oil price (Indian basket) of US\$ 95 per barrel, inflation is projected at 6.5% in FY 2022-23, with Q4 at 5.7%. On the assumption of a normal monsoon, CPI inflation is projected at 5.3% for FY 2023-24, with Q1 at 5.0%, Q2 at 5.4%, Q3 at 5.4% and Q4 at 5.6%, and the risks evenly balanced.

Indian government has accelerated its reforms initiatives like Production Linked Incentives (PLI) schemes and increased infrastructure spending to support the industry. This will provide resilient demand in economy and its ripple effect on other aspects of the economy, such as employment and productivity, will bring India back on track in its medium- to long-term economic objective.

INDIAN AGROCHEMICAL SECTOR:

The Indian chemical industry is the 6th largest producer of agrochemicals in the world globally and 3rd in Asia. India is the 4th largest producer of agrochemicals globally. India ranks 14th in chemical products' exports and 8th in imports. The Indian chemical industry stood at US\$ 232 billion in 2022, and is expected to reach US\$ 304 billion by 2025, registering a CAGR of 9.3%. The cumulative FDI equity inflow in the chemical industry (excluding fertilisers) was US\$ 20.96 billion from April 2000 to December 2022. This constituted 3.35% of the total FDI inflow across sectors. The Indian industry has two major advantages - relatively low manufacturing costs and the ability and expertise in efficient handling of toxic and hazardous products and processes.

Availability of technically trained manpower, seasonal domestic demand and production capacities for generics built to cater to overseas markets are the other reasons for strong exports. India has been attracting multinationals due to good domestic growth opportunities. Domestic segment has been witnessing a steady increase in market acceptance of new generation molecules.

The Indian chemical industry has numerous opportunities, considering the supply chain disruption in China and the trade conflict among the US, Europe and China. Anti-pollution measures in China will also create opportunities for the Indian chemical industry in specific segments. The dedicated integrated manufacturing hubs under Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIR) policy is expected to attract an investment of ₹ 20 lakh crore (US\$ 276.46 billion) by 2035. Additionally, special incentives through PCPIRs or SEZs (Special Economic Zones) to encourage downstream units will enhance production and further boost the industry growth. (Source: Union Budget 2023, IBEF, Ministry of Commerce, Expert Market Research)

INDUSTRY DRIVERS:

The key factors of driving the agrochemical industry are:

- ✓ With the growing population there is an increase in the need to fulfil the demand for food sufficiency and food security. This continues to drive the growth of agrochemicals industry.
- ✓ With fewer arable acres per capita, agrochemicals are becoming more important in maximizing farmer yields; arable land is projected to shrink from half an acre per person now to less than one-third of an acre per person by 2050.
- ✓ Plant diseases and pests have become more common as a result of changing environmental conditions. Also, climate fluctuations have a substantial impact on crop productivity

COMPANY OVERVIEW:

Established in 2000, Sikko Industries Limited ("SIL" or the Company) is a leading Agrochemical Company in India. The Company's strength lies in manufacturing formulations. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A", a statement on the matter specified in the paragraph 3 and 4 of the Order.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT OF SIKKO INDUSTRIES LIMITED FOR THE YEAR ENDED MARCH 31, 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

Opinion

We have audited the internal financial controls over financial reporting of **SIKKO INDUSTRIES LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR YEAR ENDED ON MARCH 31, 2023**

Note 1: SIGNIFICANT ACCOUNTING POLICIES

1.0 Corporate Information

Sikko Industries Limited is a Limited Company, incorporated under the provisions of Companies Act, 1956 and having CIN: L51909GJ2000PLC037329. The Company is engaged in the business of Manufacturing and trading & Exporting of Bio-Agro chemicals, Pesticides, Fertilizers, Seeds, Sprayers, Packaging, Machineries and FMCG products etc. The Registered office at 508, Iscon Eligance, Nr. Jain Temple Nr. Prahladnagar Pick up Stand, Vejalpur, Ahmedabad - 380051.

1.1 Basis of preparation of financial statements

a. Accounting Convention:

The financial statements have been prepared in accordance with Section 133 of Companies Act, 2013, i.e. Indian Accounting Standards ('Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015. The Ind AS Financial Statements are prepared on historical cost convention, except in case of certain financial instruments which are recognized at fair value.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Part I of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b. Functional and Presentation Currency:

All amounts disclosed in the financial statements and notes are rounded off to lakhs the nearest INR rupee in compliance with Schedule III of the Act, unless otherwise stated.

The functional and presentation currency of the company is Indian rupees. This financial statement is presented in Indian rupees. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

c. Compliance with Ind AS

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

d. Use of Estimates and Judgments

The preparation of the Ind AS financial statements in conformity with the generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenue and expenses for the year and disclosure of contingent liabilities and contingent assets as of the date of Balance Sheet. The estimates and assumptions used in these Ind AS financial statements are based on management's evaluation of the relevant facts and circumstances as of the date of the Ind AS financial statements. The actual amounts may differ from the estimates used in the preparation of the Ind AS financial statements and the difference between actual results and the estimates are recognized in the period in which the results are known/materialize.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods affected.

Particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial Statement are as below:

1. Evaluation of recoverability of deferred tax assets/Liabilities;
2. Useful lives of property, plant and equipment and intangible assets;
3. Provisions and Contingencies;
4. Provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions;
5. Recognition of Deferred Tax Assets/Liabilities
6. Valuation of Financial Instruments;

e. Current versus Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset / liability is treated as current when it is: -

- i. Expected to be realised or intended to be sold or consumed or settled in normal operating cycle.
- ii. Held primarily for the purpose of trading.
- iii. Expected to be realised / settled within twelve months after the reporting period, or,
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- v. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

1.2 Accounting Policies:

(A) Property, Plant and Equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is provided on the Written Down Value method (W.D.V.) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

An item of property, plant and equipment is derecognized on disposal. Any gain or loss arising from derecognition of an item of property, plant and equipment is included in profit or loss.

(B) Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes, accumulated amortization, and impairment losses, if any. Such costs include purchase price, borrowing cost, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and cost can be measured reliably.

The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Internally generated intangible asset Research costs are charged to the statement of Profit and Loss in the year in which they are incurred.

The cost of an internally generated intangible asset is the sum of directly attributable expenditure incurred from the date when the intangible asset first meets the recognition criteria to the completion of its development.

Product development expenditure is measured at cost less accumulated amortisation and impairment, if any. Amortisation is not recorded on product in progress until development is complete.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(C) Impairment of assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

(D) Leases

As a lessee:

The Company has applied IND AS 116 using the partial retrospective approach.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right of use assets

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

Lease Liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

As Lessor:

At the inception of a lease, the lease arrangement is classified as either a finance lease or an operating lease, based on contractual terms & substance of the lease arrangement. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

(E) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Managing Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

The Company is operating in single business segments. Hence, reporting requirement of Segment reporting is not arise.

(F) Statement of Cash flow

Cash Flows of the Group are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a noncash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(G) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and highly liquid investments with an original maturity of up to three month that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(H) Inventories

Inventories includes raw material, semi-finished goods, stock -in -trade, finished goods, stores & spares, consumables, packing materials, goods for resale and material in transit are valued at lower of cost and net

Raw Material and Components - Cost include cost of purchases and other costs incurred in bringing the inventories to their present location and condition. value Cost is determined on First-In-First-Out basis.

Finished/Semi-Finished Goods - Cost includes cost of direct material, labor, other direct cost (Including variable costs) and a proportion of fixed manufacturing overheads allocated based on the normal operating capacity but excluding borrowing costs. Cost is determined on First-In-First-Out basis.

Stock-in-trade - Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and conditions. Cost is determined on First-In-First-Out basis.

Stores, Spare Parts, Consumables, Packing Materials etc. - Cost is determined on on First-In-First-Out basis.

Goods for Resale - valuation Cost is determined on First-In-First-Out basis.

Realizable Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Adequate allowance is made for obsolete and slow-moving items.

(I) Foreign Currency Transactions

1. Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

2. Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all other monetary items are recognised in the Statement of Profit and Loss.

Any subsequent events occurring after the Balance Sheet date up to the date of the approval of the financial statement of the Company by the board of directors on May 24, 2023 have been considered, disclosed and adjusted, if changes or event are material in nature wherever applicable, as per the requirement of Ind AS.

(J) Income Taxes

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income or in Equity. In which case, the tax is also recognized in Other Comprehensive Income or Equity.

Current tax: -

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax:-

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax asset is recognized to the extent that it is probable that taxable profit will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

(K) Provisions and Contingencies

Provisions:

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are discounted to its present value as appropriate.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

(L) Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the Company satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation:

The Company applies the five-step approach for recognition of revenue:

- i. Identification of contract(s) with customers;
- ii. Identification of the separate performance obligations in the contract;
- iii. Determination of transaction price;
- iv. Allocation of transaction price to the separate performance obligations; and
- v. Recognition of revenue when (or as) each performance obligation is satisfied.

(M) Other income:

Interest: Interest income is calculated on effective interest rate, but recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend: Dividend income is recognised when the right to receive dividend is established.

(N) Finance Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(O) Earnings per share (EPS):

Basic EPS is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted EPS, the net profit or loss for the period attributable to equity shareholders and the weighted average number of additional equity shares that would have been outstanding are considered assuming the conversion of all dilutive potential equity shares. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

(P) Employee benefits

Provident Fund

Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense when an employee renders the related service.

Gratuity

The Management has decided that gratuity will be accounted in profit & loss A/c in each financial year when the claim is recognized by the company which is against the prescribed treatment of AS -15. The Quantum of provision required to be made for the said retirements benefits can be decided on actuarial basis and the said information could not be gathered. To the extent of such amount, the reserve would be lesser.

(Q) Fair Value Measurement:

The Company measures financial instruments such as investments in quoted share, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole..

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(R) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets:

Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables and other specific assets are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- i. The entity's business model for managing the financial assets and
- ii. The contractual cash flow characteristics of the financial asset.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities:

Initial Recognition and Subsequent Measurement

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost. Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.
